## THANKSGIVING DANCE AT PATRICK'S HALL

Great Event Prepared by Phoenix Trades Council

Thousands of people will fill the streets and the amusement houses of the city this evening, seeking entertainment with which to close their celebration of the Thanksgiving season. Of these joyous crowds many people will go to Patrick's hall and dance merrily until midnight at the ball which will be given by the Phoenix Trades Council.

The affair is a masquerade and will afford opportunity for lovers of that sort of dance to imagine themselves once more living in the days when the wearing of masks by dancers was much in vogue. However, it is not required that all must attend en masque, a large number, no doubt, will desire to appear without any sort of disguise, and are welcome to do so.

The grand march, at which time masks will be removed, will begin at ten o'clock. Those desiring to attend the theater may do so and yet reach the dance hall in time for the grand march.

Esses orchestra will play, refreshments will be served, and the arrangement and reception committees of the Trades Council will see that everyone attending enjoys a sociable evening.

The members of the labor organizations will be pleased to learn that the Moose lodge at its meeting, Tuesday night, decided to call off the regular Thursday night dance of that organization, in courtesy to the Trades Council.

**LEECHRAFT DOING NICELY**—W. B. Leechcraft, manager of the Lion theater, who recently underwent an operation at the Sisters' hospital yesterday, was reported yesterday evening to be recovering in good shape.

**WILL ENTERTAIN AT TEA**—The Ladies' Aid Society of the Presbyterian church will entertain the members of the congregation of the church at a social tea on Friday afternoon, from two o'clock until five. The affair will be held in the church parlors, and all of the congregation is invited to attend.

**CLEMENS FUNERAL**—The funeral service of Harry M. Clemens, late secretary of the Merchants' and Manufacturers' association, will be held from the home of the Geo. F. Merryman company, Friday morning, at 10:30 o'clock. Friends may view the remains during the morning, previous to the service. Burial will be made in the cemetery at 11 o'clock.

**LINTON FUNERAL**—The funeral service of Lewis D. Linton will be held from the Catholic church at 8 o'clock this morning, after which the remains will be taken to Zanesville, Ohio, for burial. Mr. Linton was for some time connected with the U. S. Weather Bureau, in which capacity his services will be greatly missed.

**CREIGHTON SCHOOL FESTIVAL**—There will be a big home festival at the Creighton school house on Friday evening at seven thirty o'clock an elaborate program having been arranged and the auditorium having been suitably decorated. All kinds of Thanksgiving gifts, such as money, fresh or canned fruit, vegetables, bedding, towels, etc., will be received at any time on Friday for the Arizona Deconess Hospital. Everybody is invited to be present.

**MARRIED IN ILLINOIS**—Frank Tweed, of Phoenix, was married yesterday in Decatur, Illinois, to Miss Chasie M. Johnson, a Red Cross nurse of that city. Mr. Tweed left Phoenix a week ago and did not inform his friends as to the nature of his trip. Miss Johnson spent last winter in this city, caring for a brother of the groom, George Tweed, who was for a time in a hospital as the result of a mad dog bite. During the time that she nursed the sick man, she became acquainted with her future husband and the romance came to a culmination yesterday.

## RAILROADS WANT BOOST OF FARES

Not satisfied with revenues they are at present deriving from hauling passengers from points in Kansas to Arizona, several of the larger railroads operating lines between the above mentioned points have notified the Arizona corporation commission that they expect to increase all fares five per cent. The new rate is scheduled to become effective on December 15, but if the commission has its way, the new rate will not become in force at all and will be allowed to die a painless death.

The commission, upon receipt of the notice of increase, at once took the matter up with the interstate commerce commission, and has asked that body to issue an order suspending the publication of the new tariff. The state commission contends that the roads should not be allowed to boost the already high rates which now prevail between Arizona and Kansas.

Any orders that the state commission may make will apply only to intrastate traffic, and when a rate in question is for points outside of Arizona, the matter must be placed in the hands of the interstate commission.

Rate Expert Betts of the state commission is of the opinion that the railroads are being amply paid for all traffic which originates in the state of Kansas and terminates in Arizona, and has signified the intention of his department to fight the proposed increase.

## CHILL BLASTS DRIVE HER TO SHELTER

One of the "eurythmic" dancers in action. The chill blasts of the north wind have driven the filmy-clad wood nymphs known as the outdoor players from the New Hampshire pines, at Peterboro, to steam-heated studios in Boston. But the dance still goes on!
